Summary: "My wings block out the sun like the fog. Don't think you can run, 'cause I am Smaug!"

## Smaug

Terrible predator; beast with bright eyes,

Glowing red scales that light up the dark sky.

Horrible arms that could crush a castle

Changes to wings as he proclaims this call:

"I am Smaug the magnificent dragon,

Coming to kill the dwarfs and the Baggins.

Where are the dwarfs, and where is my prey?"

He lifted his wings and blocked out the day.

"Feel fear, feel fear, feel fear, nasty dwarfs!

You can no longer find the door!

You can't sneak around here anymore;

You'll never find what you're looking for.

Feel fear, feel fear, feel fear in your hearts!

I hope none of you are afraid of the dark.

My wings block out the sun like the fog.

Don't think you can run, 'cause I am Smaug!

You cannot leave, you cannot stay,

I will catch you any way.

Whatever you do, whatever you choose,

I'm gonna win, and you're gonna lose."
